

Best Wishes for the Holidays
and the New Year!

The big news this year was Eben and Sheri getting married,
pictures are at: <http://plunk.org/eben/wedding>

In other news, Eben continues to work at IBM Research,
and Sheri continues to work at the Let Them Hear Found-
ation, making insurance companies mad by forcing them
to pay for surgeries to help hearing-impaired children.
Melissa is taking college courses and living in San Fran-
cisco, Patty started high school, and Talia is a very active
3 1/2-year-old, keeping us all on our toes.
